

Here is a list of the shoots that we will be having during the 2010 season. You can pick one of these days to work for your 8 hours of work. On a 2 day shoot, you have the option to work either 4 hours on Saturday and 4 hours on Sunday. Or you can work the whole 8 hours in one day. We won't guarantee you that you will be done working in exactly 4 or 8 hours. It all depends on how the shoot goes. But we will have you out of there as soon as we can.

Here are the list of dates that we will be having shoots:

March 21st – non Registered Rob Weiss Memorial Shoot

June 13th – Registered Shoot

July 10th – non Registered John C Fremont Shoot

July 25th – Registered Shoot

August 8th – Wasp-B

August 28th & 29th – Registered Shoot

When you sign up to become a member, and you are willing to work the 8 hours. I would like 2 separate checks one for \$25 for the membership, and one for \$75 deposit. When you work, the check will be returned to you. If you don't work on your scheduled day, and don't get with me to change your day then the deposit check will be deposited.

You need to get a hold of me to schedule a day or days that you want to work so I can make up a schedule. I need to know at least a week in advance if you will or won't be there. I like to know how many volunteers signed up so I know if I need to look for any other help.

You can either call me at 721-8465 or email me at ValleyTrapRange@aol.com if you have any questions.

Thanks,
Cindy
